I request that we postpone the requested phone call until Thursday. Do you have a preferred time then?

The cold led AMTRAK to cancel all bridge openings starting last night (Monday) - AFTER I sent you the email with what we thought was a good schedule, and we are now waiting for them to confirm they will support an opening tomorrow (Wednesday) afternoon as the temperatures are predicted to thaw by then. GLDD needs to move equipment that is now stuck at RM 10.9 to GLDD's Staten Island dock. Given this current unknown, and equipment questions we are also tracking, we won't have a good idea of total impacts on the re-deployment schedule until Thursday.

We also have our Technical Committee meeting on Wednesday. I will be monitoring emails throughout and should be able to respond quickly if you have any questions or need any updates before Thursday.

Thanks for your understanding.

3:30 is fine for me...not sure who you would want on the phone, but on our side it would just be us and maybe Amy and/or Frank.

Thanks

Should we still have a call tomorrow, at least a small group of us? I can't make 10:00, but am free after 3.
